

Serve

Love your
neighbour in 2023

IMMANUEL
LUTHERAN CHURCH

For Everyone, for you

*Jesus says, "Go and bear fruit –
fruit that lasts!" (John 15:16)*

Everyone at Immanuel Church is called to serve in some capacity. Jesus says, "Go and bear fruit" (John 15:16). This "fruit" is good works, done cheerfully and out of love, for the good of our neighbours. Jesus says elsewhere, "Love your neighbour as you love yourself." (Mark 12:31). A good tree can do nothing else than bear good fruit. Likewise, those who have been given new hearts by Jesus can do nothing else but love and serve their neighbour. As we like to say: "Grace changes people!"

This booklet lists some of the ways for you to bear fruit and serve as part of Immanuel Church in 2023. Please prayerfully consider how and where you serve. I pray that this year you may serve in a new or increased capacity!

Go and bear good fruit as you serve your neighbour.

How do I know where to serve?

Everything starts with prayer. Spend some time resting in the presence of God the Father, Son, and Holy Spirit. Ask Him to show you where to serve this year.

Gifts and passions. What are your God given gifts? Are you good with people, or do you prefer to work behind-the-scenes? Do you have a loud, clear voice? Are you musical? Are you good with technology? Do you have the gift of hospitality? As you consider where to serve, choose something that excites you & fits your gifts.

Make time to serve. Serving others takes time. Modern life is busy, with lots of different activities here and there, so consider carefully how much time you can set aside to serve. Yet, with that said, first things come first. The things that we truly worship are the things where we spend our time. What are you making time for in life?

Many opportunities — for everyone, for you. We believe that everyone can serve and is called to serve. There are many avenues for you to serve your neighbour in love! This booklet focusses on ways connected with church life, including worship & the wider work of the church. But remember: you already serve your neighbours in your household (i.e. your family), at your place of work, and in the community (such as those in your street or suburb). And you can always serve your neighbours by praying for them by name!

*“God doesn't need your good works.
But your neighbour does!”
— Martin Luther*
